

CONTRACT SERIES ONE

Medium Fascia Roller Shade

Clutch Control

The Contract Series One medium fascia roller shade features a modern square cover, concealing the hardware for an aesthetically pleasing solution. Designed to deliver a simple user experience, this system is constructed with a sturdy fiberglass base scrim, enables complete thermal and light control, and embraces a sophisticated aesthetic. With minimal light gaps, increased privacy, view through and sustainability, setting the benchmark for natural light management.

- Aluminum fascia can be fabric wrapped to match your shade.
- Commercial grade, durable construction and modern design.
- Enables view through and privacy with minimal light gaps.
- Enhances sustainability and efficiency with complete light and thermal control.
- Minimal aesthetic.
- Built-in chain diverter for a notch-less design.
- Smooth and controlled operation.
- Single & linked shade applications.
- Max width of 120" (based on 120" drop). Capacity to cover areas up to 100 sqf.
